Mateu's drawings have just the right touch of exaggeration to give them extra visual appeal; lines are given an extra spring, forms bent out just a bit, and figures swirled into motion in a way that gives everything a sense of verve and life." - Charley Parker With Framed Ink, Marcos Mateu distills his twenty-plus year career in feature animation into a clear, practical manual on the language of images. Marcos has a special eye for composition, lighting, and continuity that creates a tangible sense of mood and drama in all of his work." - Jeffrey Katzenberg, Co-founder and CEO DreamWorks Animation SKG "There are some people who draw in a way that looks like they load their pens with pure liquified fun. After a brief discussion on narrative art, Marcos introduces us to drawing and composing a single image, to composing steady shots to drawing to compose for continuity between all the shots. Using his experiences from working in the comic book industry, movie studios and teaching, Marcos introduces the reader to a step-by-step system that will create the most successful storyboards and graphics for the best visual communication.After a brief discussion on narrative art, Marcos introduces us to drawing and composing a single image, to composing steady shots to drawing to compose for continuity between all the shots.
